1501 W. Southlake Blvd.***

Dear CISD Parents:

The Southlake Women's Club is a non-profit organization that is dedicated to providing community support. Every year the SWC offers you the convenience of one-stop shopping to purchase your CISD approved school supplies. These supplies are individualized to each campus and grade level and all proceeds benefit CISD students and schools. In previous years, money raised has been used to purchase many things that directly affect your child's education, such as new library books, on-line tutoring programs, new computers, math manipulatives, and science lab equipment.

**We thank you for your continued support!
